Subject: Freedom of Information Act (FOIA) Request
Re: Beaver Creek Crude
FPN: E14459

FOIA Officer:

Pursuant to the provisions of the Freedom of Information Act, 5 U.S.C. § 552, you are hereby requested to furnish all written records related to an oil spill into Beaver Creek (Federal Project E14459) that occurred around September 19, 2014, allegedly from an abandoned oil well located on land owned by Terry and Connie Harlow in Glasgow, KY, including but not limited to, records of any actions taken related to the cleanup for Federal Project E14459, any costs or expenses incurred as a result of said cleanup, any records related to the oil spill, any records related to the abandoned oil well from which the leak allegedly originated, and any records related to any samples taken or communications, observations or reports made as a part of any inspection, investigation, analyses or evaluation of the oil spill conducted by the U. S. Environmental Protection Agency.

If possible, we ask that we receive electronic copies of the requested documents. Payment of photocopy and other expenses up to \$100 related to this request will be promptly remitted upon receipt of your statement or other notification by your office. Please give us an estimate of the cost of the request if said cost is estimated to exceed \$100 so that we may consider whether to proceed with the FOIA request.

April 22, 2019

Should you have any questions or require additional information, please contact us. Thank you in advance for your attention to this request.

Very truly yours,

Sarah P. Jarboe
